Oasis Downtown 2012

Oasis Behavioral Guidelines

(Parent & Camper please sign and return)

Oasis programs are communities in which every participant is entitled to feel safe, comfortable and secure. We are committed to ensuring that every child is able to enjoy and benefit from our programs. All campers and families must be committed to safety, constructive participation and appropriate behavior, and willing to abide by the guidelines established by the program.

Please take a moment to go over the following guidelines carefully with your child before signing at the bottom.

As an Oasis camper I promise that:

- I will stay with my group at all times;
- I will listen carefully to rules and instructions and ask questions when I do not understand;
- I will be kind to other children and staff and I will not threaten or bully other campers;
- If I need help I will go to my Group Leader.

As an Oasis parent I understand that:

- I am expected to help my child understand and follow these guidelines;
- I will be notified if my child's behavior undermines his or her ability, or the ability of other children, to enjoy, benefit from and participate safely in the program;
- If an issue of behavior arises, I will be expected to collaborate with my child's Division Leader on a strategy to address the problem;
- If my child's behavior continues to undermine his or her ability, or the ability of other children, to enjoy, benefit from and participate safely in the program, his or her participation in the program may be suspended temporarily or permanently;
- Temporary suspension and/or permanent dismissal from the program are at the discretion of Oasis.

We agree to abide by and support the guidelines set forth.
