Hey Oasis Fans!

With the holidays fast approaching, we wanted to reach out and say thank you again for making our summer such a success. It would not be possible to provide you and your children with an amazing, unforgettable summer without your continued support so we're excited to offer our 2016 families another early bird registration discount as a show of our appreciation.

Early Bird Discount*

Register by paying a \$300 deposit by Friday, November 18th, 2016, and receive \$10 off per week of 2017 enrollment. (*Deposit is your first payment towards tuition. Discount can be combined with our weekly returning family discount.*)

Pay-in-Full Discount*

Pay your 2017 balance in full by Friday, November 18th, 2016, and receive the Early Bird Discount **AND** another 4% discount off of your entire 2017 camp balance.

For additional savings, during this discount period, we are also going to waive our 2.3% credit card processing fee, to further the amount of your discounts.

To get this discount, you must register first and pay your balance in full, then call us at 718-596-4900 and press 5 for the Finance Department to have your discount applied.

Not sure yet what you want your registration to be for Summer 2017?? No worries! You can change your registration at any time between now and the start of camp. The Early Bird discount will be adjusted at that time to reflect your registration. So register and put down a deposit **NOW** to lock in that discount!

Note: If you are also taking advantage of the Pay-in-Full Discount, that discount is only applied to the amount you pay NOW and cannot be adjusted later if you increase your registration.

*Discounts expire on Friday, November 18th, 2016. Any tuition paid before May 26th, 2017 is 100% refundable. After May 26, 2017, \$300 deposit is non-refundable, regardless of the circumstance and 50% of any monies paid towards tuition will be refunded. The remaining tuition is refundable at the sole discretion of Oasis Children's Services LLC and may be processed once the camp season has closed. Both above discounts can be combined.
