Did You Know?

Europe is the world's second-smallest continent but has the second-largest population. The most visited place in **Europe** is Disneyland, Paris.

Hi-Dee-Hi Oasis Downtown Families,

We had an amazing European themed week! In soccer and sports, campers explored European Handball and how we can work together as a community and teamwork - just like how many of the European countries act as well. In dance, campers worked on Romanian and Greek dances and European pop songs by One Direction! In theater, campers studied Pantomime and in music, campers studied French nursery rhymes and remade lyrics to songs by the Beatles. In art, campers made tea cups and saucers from England using cardboard and paint, as well as pizza from Italy made from air dry clay and paint! Swim evaluations are out and will be distributed every other Friday.

Our next stop is the Caribbean and Latin America! We are ending our journey on Friday with our Special Event, Fiesta, Fiesta! Join us in the Auditorium at 2:00 PM for special Latin themed performances.
