Welcome to Oasis!

This is my 4th summer as Camp Director here in Madison and my 6th summer with Oasis. Oasis Staff is working very hard to ensure that each camp has the most AMAZING summer ever. This summer's staff is responsible, energetic, and I already know this is going to be the best summer yet for Oasis in Madison. This first week was filled with getting to know each other, making new friends, and reacquainting with friends from last year. I cannot wait to enjoy the next 7 weeks with the campers!

Please remember to visit our blog at <http://www.oasischildren.com/our-camps/oasis-in-madison/> It is updated often and contains important information such as contact numbers, our weekly schedule, the Special Events Calendar, and much, much more! We also have a Flickr account this year. You can access the pictures here: <http://www.oasischildren.com/our-camps/oasis-in-madison/whats-happening-at-camp/> Please feel free to email us if you need the password.

On Friday we had our first special event! Campers went on a scavenger hunt around the world. They visited all 7 continents, Polynesia, and outer space! All teams were rewarded with ice pops to celebrate their hard work!

Helpful Reminders!

- Ⓢ Please label all personal belongings. Backpacks, water bottles, towels, etc.
- Ⓢ Remember to send a water bottle to camp! It is hot out here and we need to stay hydrated!
- Ⓢ Please send a snack with your child each day. It is a long day and we get hungry. Keep it separate from lunch since lunches go in the coolers.
- Ⓢ If you are picking your child up early from camp, please let the office staff or your division leader know so we can have your camper ready!

On Wednesday, we celebrated the 4th of July a little early with Red, White, and Blue Day!
